

File Checklist for a Standard R01 (Forms F)

There are now **THREE** separate parent funding announcements for R01 submissions; **PA-20-183** for those projects that proposal Clinical Trials, **PA-20-184** for Basic Experimental Studies with Humans Required (Clinical Trials Required) and **PA-20-185** for Non-Clinical but can include both animal or humans. It is important to verify with the IC you are targeting is participating in the Parent Announcement. If you are unsure please reach out to CAA for verification. If you are not applying to the parent funding announcement make sure you; check if there are more than one call for the same PA/PAR, if not make sure it is listed as clinical trial optional.

There are also optional forms that need to be added. These include Module Budget (requesting \$250,000 per year or less), RR Detailed Budget (requesting \$250,001 – 499,998 per year if over in most cases you need PO approval), RR Subaward Budget and Assignment Request Form. If you are using HFT from elective abortions you are NOT allowed to use the Modular Budget form regardless of amount being requested per year. In the updated Forms F there are changed to the Assignment Request Form removing the "Do Not Assign" to awarding component and study section fields and adding Rationale for Assignment Suggestion text box

Note: You should always read the specific FA to see if it deviates from the standard requirements. You should also see if any other files or appendix material are allow or required. If it is not specified these items should not be included. Contact The Office of Clinical Award Administration 8-4490/SOMCAA@stonybrookmedicine.edu, if you have any questions on what is required for a complete submission.
