*** 7a. School of Medicine Offset?**

Yes No [Clear](#)

*** 7b. % Effort:**

*** 7c. Please select one of the following:**

- This study is industry initiated, offset 10%.
- This study is investigator initiated, offset 5% (Inclusive of Federal, Federal Flow Through, & PCORI Studies).
- N/A Investigator's effort will be offset via IFR or charged directly to the award (e.g. national investigator overseeing and coordination studies at several sites).
- This agreement is unfunded.
- The terms of the Offset Agreement do not apply, as the effort on this study is to be cost shared within the limits of the SOM 5% cost share cap.
This is consistent with all State faculty participants involved with this study.
- The terms of the Offset Agreement do not apply, as the effort on this study is to be cost shared. This cost share will not count towards the SOM 5% cost share cap.
